Sir:

Please change the correspondence address for this application to:

J. Carl Cooper
P.O. Box 4860
Incline Village, NV 89450
(775) 831-6123
(775) 831-5305 fax

Applicant wishes to amend the above identified application as follows:

In the Abstract:

Change the Abstract to:

The invention converts a digital HDTV or SDTV video and/or audio signal(s) into an analog signal which is compatible with existing analog systems. The compatible analog signal carries the digital video and/or audio in a quasi digital form which provides immunity to analog noise and distortion. Digital video and audio are compressed to
